SUMMARY REPORT - Orientation Program

Orientation program for this Academic Year (2018-19) for II Year (Batch: 2017 – 2021) was organized by CSE department on 02.07.18. The first session dealt with the academic aspects of the course and provided information about teaching learning practices followed by the department. The second session briefed about the PG course details which will be taken after completing their UG course. Two Internal faculty members were delivered their views to the students.

Ms.K.Abhirami (IQAC Head) delivered Teaching Learning Practices followed by CSE Department.

Mr.S.Rajarajan AP / CSE had given the exposure about PG programmes

SUMMARY REPORT – Introductory Class

To enrich the knowledge of the students and make them to strong in technical skill, Introductory class is used. The main objective of this class is to provide a platform to the students to understand their academic subjects.

Web services and its relevant programs are essential in this moment. HTML is the basic Markup language which is used to develop web service program. To meet up the current requirements the third year students had an experience in “An Introduction to HTML Tags” which was handled by Ms.G.Chandrababha, AP/CSE. In the first session, basic concepts and syntax of HTML was explained and followed by hands on training was conducted.

Ms.G.Chandrababha AP/ CSE explained various tags used in HTML language and the students were executed the tags

COURSE OUTCOME

Upon completion of this class, students should be able to:

- Understand the basic concepts behind web page creation
- Do their lab classes in an effective manner.
- May use the concepts to create layout for department activities
