

## Guidelines for Project Proposal Submission

1. Final year UG students are eligible to apply.
2. The Project Guides / HODs need to critically evaluate the project proposals.
3. Each college can send minimum 5 project proposals. Out of these, only 3 projects can be from ICT (Information Communication Technology - Information Science, Computer Science, Electronics and Communication, Electrical and Electronics) branches. All branches of Engineering should be considered while selecting the projects.
4. The project team (batch) can have up to a maximum of FOUR students.
5. The team should submit the hardcopy of the project proposal in the prescribed format only (available in website), duly signed by their Project Guide, Head of the Department and it should reach on or before 28<sup>th</sup> February 2018. Project proposals sent after this date will not be entertained.
6. Each Project team can send ONLY ONE proposal.
7. The project team SHOULD NOT change the topic of the project after the project has been selected and should not deviate from the identified objectives. In the event of any such changes, the project will be treated as cancelled.
8. Project proposals received will be reviewed and evaluated by a team of experts and those selected will be announced in the website.
9. The evaluation of projects will be conducted. The students need to demonstrate their project in the expo.
10. During the Exhibition, "**Best Project Award**" will be presented to the outstanding projects with a cash prize and certificates to all participants.
11. Kindly visit our website [www.kingsindia.net](http://www.kingsindia.net) for further details and announcements.
