

DEPARTMENT OF CIVIL ENGINEERING

National Level Technical Symposium - SKYRODEMA'2K18

Venue: AV Hall, Kings College of Engineering

Date: 18.09.2018

BACKGROUND & OBJECTIVE

Department of Civil Engineering, Kings College of Engineering organised a One day National level Technical Symposium titled **SKYRODEMA-2K18** on 18th September 2018.

It aims to provide a platform for the students across our country to express their ideas and technical skills in Civil Engineering. The symposium was well attended by students from reputed educational institutions. The symposium focuses to articulate new ideas in distinguished civil field and to result with sharing knowledge among the participants.

INAUGURAL SESSION

The Symposium was inaugurated by the Chief Guest at inaugural function, Prof. Dr.G.Elagovan, Dean, UCE - Pattukkottai. As every function starts in an auspicious way, the symposium was inaugurated with the prayer song. As many as 42 participants from various engineering colleges participated in the symposium.

Inaugural Session

WELCOME SESSION

The welcome address was given by Selvan.J.Hariharan, Secretary, Skyrodema'2K18. He welcomed the Dignitaries on the dais, faculty members and the students from various colleges across the state. He also added that he was very much delighted to see more external participants from various reputed colleges.

HONOURING SESSION

The chief guest was felicitated by shawl and memento as sign of remembrance by Mrs.R.Revathi, HOD/Civil.

Dr.G.Elangovan receiving memento from Mrs.R.Revathi, HOD/Civil.

INTRODUCING THE CHIEF GUEST

The Chief Guest was introduced by Mr.R.Sundharam, Assistant professor, Department of Civil Engineering. He elaborated the qualification and work experience of the chief guest. He also detailed about his conference publications and various responsibilities held by the chief guest.

FELICITATION ADDRESS

The felicitation address for the symposium SKYRODEMA'2K18 was given by Mrs.R.Revathi, HOD/CIVIL. Her speech gave motivation and enthusiasm to our students as well as the external participants.

PRESIDENTIAL ADDRESS

Dr.G.Elangovan, Dean, UCE, Pattukkottai graced the occasion as chief guest and delivered the presidential address. In his address, he lauded the Management and the academic administration of the institute for hosting a technical symposium every year. He explained about the rising technology in civil Engineering field. He insisted that the opportunity is in every hand, the

students have to make use of those various opportunities for their career. He also gave a wonderful taught about the alternate materials used in construction. It was educative experience which offered the audience a rare opportunity to get a glimpse on the key note topics.
